

zero options list 2008

Fully welded and bracketed space frame chassis	B	P	S	Two head lights	B	P	S
Pair of lower rear wish bones	B	P	S	Two sealed beam units(with above)	B	P	S
Left and right rear upper wish bone	B	P	S	Two rear combination lamps	B	P	S
Pair of rear hub carriers	B	P	S	Two motorcycle front flashers lamps	B	P	S
8 rear hub spacers for drum brakes	B	P	S	Two side repeaters	B	P	S
Pair of front lower wish bone	B	P	S	One fog lamp	B	P	S
Pair of front upper wish bone	B	P	S	One number plate light	B	P	S
Front lower ball joint and bolts	B	P	S	One reversing lamp	O	P	S
50 top hat Nylaspa bushes	B	P	S	Pair of SVA extensions	O	P	S
20 inner tubes	B	P	S				
2 long inner tubes 70mm	B	P	S	Coloured GRP nose cone	B	P	S
Screw in top ball joint and locking nut	B	P	S	Two coloured GRP front cycle wings	B	P	S
2 long M10 bolt for rear hub	B	P	S	Two coloured GRP rear arches	B	P	S
Bolt set with nyloc nuts	B	P	S				
1 Inner tube 135mm	B	P	S	Exstened steering rack	B	P	S
				Two steering rack fixing brackets	B	P	S
Two rear shock and springs	O	P	S	Steering coloum bush	O	P	S
Two front shock and springs	O	P	S	Steering shaft	O	P	S
				Mountney 12" steering wheel	O	P	S
2 main side panels	B	P	S	Mountney steering wheel boss and push horn	O	P	S
Rear panel	B	P	S				
Rear shroud	B	P	S	Toughened glass windscreen (BS kite Marked)	O	P	S
Scuttle top pannel	B	P	S	Two piece, rounded aluminium frame	O	P	S
Dash panel inner and outter	B	P	S	Lower windscreen to body T seal	O	P	S
Fire wall panel	B	P	S	Glazing Rubber	O	P	S
Battery tray panel	B	P	S	Windscreen pillars (pair)	O	P	S
Pedal box cover panel and liad	B	P	S	Windscreen washer bottle and pump	O	P	S
Four front transmission tunnel sides	B	P	S				
Two rear tunnel transmission sides	B	P	S	Front wing brackets with stub axels	B	P	S
Front top tunnel cover	B	P	S	Pair of universal engine mounting welded to chassis	B	P	S
Midlel top tunnel cover with hand brake hole	B	P	S	Pedal and cylander mounts	B	P	S
Rear top tunnel cover	B	P	S	Set of three pendulum pedals	B	P	S
Seat back pannel	B	P	S	Steering coloum mounts top and bottom	B	P	S
Rear cresent infill panels	B	P	S	Top shock and head light mounts	B	P	S
Two foot well pannels	B	P	S	Hand brake lever mounts	B	P	S
Pair of rear wing pannels	B	P	S	Hand brake cable mount	B	P	S
Steel floor panel weilded to chassis	B	P	S	Gear box mounting plat	B	P	S
6 Louverd Bonet	O	O	O	Maxcool radiator	O	P	S
Rolled bonnet	B	P	S	Electric fan	B	P	S
Pair of stainless steel cockpit edge trims	O	P	S	Rear wing piping	B	P	S
				Pair of Stainless steel stone guards and beading	B	P	S
Set of four 15" alloy wheels	O	P	S	8 Seat belt mountings for four point harness	B	P	S
Set of four 195/50/15 Yokohama Tyres	O	P	S	Rolls of deluxe carpet	B	P	S
Wheel nuts	O	P	S	Interior covering material	B	P	S
				Nose cone badge	B	P	S
Two sets of four point harnesses	O	P	S	Demister vents	O	P	S
Snap on edge trim	O	P	S	Four SVA bonnect catches	O	P	S
Hand brake cable	O	P	S	Locking aero style fuel cap	O	O	S
Pair of side mirrors, spring back, SVA correct	O	P	S	Nose cone grill	O	P	S
Alloy fuel tank with filler neck and outlets	O	P	S	Tube of high grade polyurethane adesive	O	P	S
Universally joint propshaft with nipples (type 9)	O	O	O	Wiring loom	O	P	S
Set of metal brake pipes	O	P	S	exhaust silencer ss	O	P	S
Set of four braided brake pipes	O	P	S				
				cd	B	P	S
pr one piece rear wings (option)	O	O	O				

If you suspect something is missing, please tell us so that we may identify it. Check that the handed pannels, i.e. rear c, are in fact handed. When you have finished checking off your kit and satisfied that all the parts are present, I everything into your vehicle. Any shortages can be sorted or shown to you whilst you still on the
